**VipTechJob**

Project nr.: KA2-19-17-R3

- The **2<sup>nd</sup> LTTA event** in Granada (ES)

The project partnership successfully implemented the 2<sup>nd</sup> training event (3<sup>rd</sup>-7<sup>th</sup> September 2019), where the task of participants was **to test the mobile app** developed during the project and to **learn about its functionalities** with the scope **to share the product** with their peers.

The **web app** helps young VIPs to **access job advertisements** easier, technically supports **matchmaking between employers** and **job-seekers**. Besides young VIPs can **create their profile** and **upload their CV(s)** to make their **job-hunting more efficient**.

- **Multiplier events** in partner countries (ES, IT)

During multiplier events organised in September in Granada, Spain (**Docete Omnes**) and October 2019 in Florence, Italy (**Istituto per i ciechi Rittmeyer** and **Aforisma**) the partner organisation **presented the products developed** during the project (online training platform and web app). The participants to the multiplier events were **representatives of associations of visually impaired**, representatives of **employment institutions**, professionals that work with visually impaired and **young VIPs**.

### Final Multiplier Event, Brussels (BE)

The project coordinator **Views International** is organising a **final project conference** to disseminate and present the project and its results to a wider audience.

The event will take place in the **European Parliament on 5<sup>th</sup> December 2019 at 12.00 - 14.00**.

The event is organised with the **support of Hon. Dragoş Pîslaru (MEP)**.

If you are interested to participate in the event, we kindly ask you to contact Views International for additional information.
